

INDOOR SOCCER LEAGUE SUMMER 2009 - INFORMATION SHEET

- Purpose:** This program is designed to be a recreational soccer league for youth, ages 3 - 12 years old. The purpose of this program is to give children the opportunity to learn soccer skills.
- Teams:** Teams will be organized by the child's age group. We will try to accommodate coaches' and parents' requests to have their children playing on the same team as their friend, but we do not want to overload coaches and teams. So, **there is no guarantee your child will be on the team requested.** Indoor soccer is a recreational league and there will be no competitive teams allowed. Teams may be combined due to the number of registration. If enough teams are not formed a full refund will be given.
- Organization Day:** The first day of Indoor Soccer is **Wednesday, June 17** at **Copperview Recreation Center**. This day is designated as Organization Day, where your child will meet their teammates and coach. Uniforms will be distributed. This is also a goodtime for parents to discuss carpooling. If you could donate a couple of hours each week, please sign up to be the coach or assistant coach of your child's team. There is no experience needed, we just ask you to encourage fair play, team work and fun.
****Coaches meeting will be Monday, June 15th

- Team Photo:** Sports Imaging will be conducting the team photos. Team photos are **not** included in the participation fee. Picture day will be determined at a later date. Coaches will be informed on what time the photo shoot is. Pictures will be distributed on the last day of the season.
