## RETURNING TEAMS

Returning teams are only guaranteed their spots as long as they are registered by the deadline. A returning team is a team that played in the same league the year before (ex. A team registering for winter 2009 and they played winter 2008). Whatever open spots are left after all the returning teams have their spots are then opened to the earliest registered new team.

If you are a new team and don't get your first choice we will try to accommodate your 2nd & 3rd choice. If we can't place you we will give you a full refund. We will call you if you don't get your first choice!
